New Home for Housing Company

After 8 years at Hannam St, Access Community Housing has moved to new premises at 5 Anderson St, Manunda. The office space is able to accommodate its growing workforce and help to realise its new motto, *Better Homes, Better Futures*. “The new office is ideally located with plenty of parking and private interview rooms for tenant conversations”, says the recently appointed CEO, Donna-Maree O’Connor. She also wanted to thank BDO for the donation of 24 chairs that “sit proudly in our boardroom, as visitor chairs and in our informal breakout area. “It was great to be able to assist a not-for-profit company with some furniture, when BDO moved offices to Lake St” said Michael Delaney, partner of BDO and Treasurer on the Access board.

Managing around 570 tenancies, Access Community Housing is the largest social housing organisation in far north Qld, having earlier this year received national registration as a Tier 2 provider.

For more information please contact Donna-Maree O’Connor on 07 4031 6702 or dm.oconnor@achc.org.au.
